*I Will  
Face My Fears*

*I will eat  
what scares me,  
feel what  
frightens me,  
let go of what  
has become  
comfortable to me.*

*I know  
that God will  
strengthen me,  
as I face my fears.*

*In His power,  
I will  
overcome the fears  
that are standing  
in the way  
of my freedom.*
